

Dear Parents,

Thank you for enrolling your child in Adventure Camp or Sports Camp this summer! At the Greensburg YMCA, we aim to strengthen family dynamics by providing safe and reliable child care that will help relieve the stress of balancing work and family. Specifically during the summer months, we offer an eleven weeklong camp experience that will keep your child active, learning, and bonding with his or her peers. These weeks at camp will involve many interactive activities including group games, arts and crafts, plenty of time to swim, and field trips - all encompassed within a fun weekly theme. Our Unity Township location will allow those campers to enjoy fishing, kayaking, canoeing, and various water play activities. We are very excited that you and your family have chosen to share in this time with us!

Enclosed within this packet, you will find all of the necessary forms and documentation needed to sign up your child for Adventure Camp or Sports Camp. Please carefully read over the instructions for each form and fill them out accordingly, and then check off each box within your portion of the checklist provided below.
