Putt Putt Party 2015

The Putt Putt Party is an annual event to raise funds that contribute to the Greensburg YMCA Annual Campaign.

We take much pride in our Annual Campaign which raises money to provide financial assistance for children and families in need. Every dollar raised helps ensure that "no child is ever turned away due to the inability to pay." The Greensburg YMCA Annual Campaign currently provides financial support to over 50 individuals a month, giving children and families the opportunity to participate in programs that would not be possible without help from generous donors like you.

The Greensburg YMCA Annual Campaign raises money to provide financial assistance to children and families in need. Every dollar raised directly benefits children and families who may not have the financial ability to participate in the YMCA. This money may be used for membership, childcare, and/or programming for those who qualify. Through the Annual Campaign, we've helped 332 families since August of 2013 with 93% of the support going to children. Of these families, the average number of individuals in the household was three (3) with an average annual income of \$19,578 (under the U.S. poverty guidelines of \$20,090).
