Dear Parents,

THANK YOU FOR ENROLLING YOUR CHILD IN Y SUMMER CAMP! Specifically during the summer months, we offer an eleven weeklong camp experience that will keep your child active, learning, and bonding with his or her peers.

The Greensburg YMCA location of Adventure Camp and Sports Camp will enjoy swimming four times a week, a weekly field trip in addition to interactive group games, arts and crafts, and excursions throughout the City of Greensburg all centered around a weekly theme or sport.

Our Unity Township Adventure Camp location will allow campers to enjoy fishing, kayaking, canoeing, and various water play activities along with weekly swim and the weekly field trip.

Our West Hempfield Elementary Adventure Camp location will incorporate experiments, outdoor play, group games, and arts and crafts all based on the weekly theme. The campers will swim once a week and enjoy the weekly field trips.

Electronic Funds Transfer Form

How does Electronic Funds Transfer (EFT) work?

Once you enroll in EZ-EFT, your financial institution will automatically send us your payment from your credit card, checking account or savings account—on the day that it is due.

What about security?

Payment is made by your financial institution only with your authorization. Additionally, the federal consumer safeguard regulations are more stringent for EZ-EFT than when you pay by check, which means EZ-EFT is more secure than conventional checking.

To Enroll: Complete the information below. If you have any questions contact Kathi, Child Care Billing Clerk, at 724-834-0150, ext. 161 or at childcarepayments@gbgymca.org.

Parent/Guardian Permission to Apply Sunscreen

YMCA child care participants spend a great deal of time outdoors and are thereby exposed to the harmful rays of the sun. As a YMCA program, we are committed to promoting healthy spirit, mind, and body for all, and have therefore established the following policies and procedures:

- All staff members and program participants wear sunscreen with a minimum of SPF 15 on exposed skin (including lips) each day, regardless of sky conditions.
- Parent/Guardian will apply the first layer of sunscreen to child(ren) prior to morning arrival.
- Parent/Guardian will provide adequate amounts of sunscreen for reapplication throughout the remainder of the day. Parent/Guardian will supply sunscreen in original container, with lid. One container per child, labeled with the child's name.
- Staff will ensure time for thorough reapplications after one hour in the water/two hours of other outdoor activities, and any other occasion, as needed. Please note, school age children will apply their own sunscreen with assistance from staff.
- Some children may demonstrate the following characteristics: fair skin, freckles or numerous moles; blonde, red, or light brown hair; blue, green, or gray eyes; tendency to burn easily or tan little/not at all; family history of skin cancer. In these cases, the staff recommends an extra T-shirt for swimming/water play or for added protection.

Please note that these standards are established to protect your child. YMCA child care staff members are trained on these policies and understand their responsibilities and consequences for failure. Check whichever one of the first two boxes applies to your child, and then check the last box to verify that you understand and comply with the policy stated above.

- Please do not apply sunscreen to my child's skin.
- My child has no known allergies/adverse reactions to sunscreen. Please apply the provided sunscreen.

- I verify that I have read and understood the above guidelines, and agree, for the protection of my child, to comply with the YMCA Child Care Sunscreen Policy.

GREENBURG YMCA CHILD CARE BEHAVIOR MODIFICATION POLICY

All efforts will be made to guide children to appropriate behavior. The YMCA believes that punishment is unnecessary but DISCIPLINE is needed to help children gain self-control. Respect for your child will be demonstrated at all times. The same respect will be expected from your child for his/her peers and the YMCA staff at all times. When disciplinary action is necessary, age-appropriate methods will be implemented. The Department of Public Welfare behavior regulations are as follows:

- A facility person may not use any form of physical punishment, including spanking of a child.
- A facility person may not single out the child for ridicule, threaten harm to the child or the child's family and may not specifically aim to degrade the child or the child's family.
- A facility person may not use harsh, demeaning or abusive language in the presence of children.
- Will never force or withhold food, nor force or withhold naps as a means of discipline and toileting accidents will not be disciplined.

There are **clear and appropriate behavioral** expectations for the children in our care. We try to set limits, help children understand rules and give clear definitions of acceptable and unacceptable behavior. Children are more likely to follow rules that have been introduced from the beginning. Some rules that we like to see are:

- We find out what the problem is.
- We listen to each other.
- We are responsible for what we say and do.
- We use appropriate language at all times.
- We attack the problem, not the person.
- We care about each other's space and feelings.
- We respect each other and ourselves.
- We use words, not fists, to solve problems.

A system of cool down/redirection and suggestions from parents on what they have discovered works well at home will be used. Logical and natural consequences will be allowed when applicable.

On occasion, our staff will identify behaviors that require disciplinary actions. If a child should exhibit an inappropriate behavior while under the supervision of a YMCA staff person, the following sequence of actions will be taken:

- The behavior will first be addressed by the staff person with the child in private.
- If the inappropriate behavior continues, the staff person will notify their supervisor and the situation will then be discussed with the parent.
- If a child's behavior jeopardizes the safety of themselves or others, the suspension policy may be ignored and the child may be removed from the program immediately.

Suspension Policy

- If inappropriate behavior continues, the supervisor will notify the parent that a conference needs to be held within 48 hours. At that conference, the director may recommend the parent/child for outside testing and evaluation, and the child will be suspended from the YMCA Child Care program for 1 day.
- A second serious infraction will result in a suspension of 3-5 days and a request for professional testing and evaluation may be required before the child may return to our program.
- If the behavior has not improved, the child will be immediately removed from the program.
*If the parent/guardian refuses to work with us during this process, we will be forced to terminate the child from the program. The YMCA has rarely been forced to use suspension from the program. We believe that if the child perceives the YMCA as concerned, involved, consistent, caring, and respectful, and if we exhibit calmness, few words, and a firm but kind attitude, the results will usually be positive.

Termination Policy

The YMCA Child Care program reserves the right to terminate your child's attendance in our program for such things as, but not restricted to:

- Disruptive behavior problems.
- Emotional problems or learning disabilities that we are not equipped to handle or that are a safety risk to themselves or the other children in attendance.
- If a parent or child is physically or verbally abusive to YMCA staff or children.
- If the Child Care Director or the CEO of the YMCA believes that continued service is not in the best interest of the child and/or the Greensburg YMCA.

If these or any other problems begin to upset or influence the other children in the program and we have proceeded through the steps cited in our suspension policy, we will have no other recourse than to terminate your child's attendance in our program. It is very rare but in extreme situations, we have been forced to pass over our suspension policy steps and immediately move to terminating a child from the program because of the severity of the problem and our responsibility to protect your child and others.

NO REFUNDS or credits will be given if a child is suspended and/or terminated from any YMCA program. If your child has been terminated from any of our programs, he or she may not attend the same program at a different location.
