

Here at the Greensburg YMCA, we know our work supports our mission. We build a strong community each day by providing quality programming for all. Please continue to ensure all members have a chance to participate and find a place to belong. This amount is conveniently taken directly out of their bi-monthly paycheck, and the program allows staff a chance to donate at an equal percentage of their pay. For more information, please contact Debby King at 724-834-0510 ext. 114 or email [d.king@gbgymca.org](mailto:d.king@gbgymca.org). Members will be recognized in our staff newsletter.
