TOGETHER WE CAN BUILD A BETTER US

GREENSBURG YMCA ANNUAL SUPPORT CAMPAIGN

US... IS A POSSIBILITY

Every day, the Y strengthens our communities for kids, adults, seniors, and families with programs that protect, teach, connect, heal, nourish, and encourage. It's how we help communities and the "us" who live in them realize their incredible possibilities.

We can't do it alone.
DONATE FOR A BETTER US.

GIVE TO THE Y

A Letter From Our Campaign Chair:
Dr. Sydney Beeler

Do you want to be a part of building confidence and character in the next generation? Or, possibly help support a family who may need some help with consistent and quality childcare?

Then, join me and my family in championing the YMCA and our Annual Support Campaign.

Personally, the YMCA has played a critical role for my children. The sports programs have given them the opportunity to develop important life skills like teamwork and communication. The Early Childhood Learning Center gave my son a great start in early education, and the BASE program provides a fun and safe environment for my children before and after school. My children have made such good friends, have developed confidence and character, and thoroughly enjoy themselves. As a mother, I want every family to have this opportunity. I want every child to have access to the sports programs, swim lessons, and gymnastics regardless of their finances. The Y makes this possible as their policy is inclusive, i.e., they do not turn people away because of their inability to pay.

I hope that you will consider supporting the YMCA as they engage with our community, build our families, and develop our next generation. Remember, every dollar raised goes directly to assisting children and families who may need some help!

Sincerely,
Dr. Sydney Beeler
President of the Board
