## **ECLC Department:**

We're thrilled to welcome **Mrs. Stephanie Sites** as our new director! With 29 years of experience in childcare, Stephanie recently returned to her hometown and is excited to lead the ECLC at the Greensburg YMCA. Joining her are two new lead teachers: **Cloey Golkosky** in the Toddler Room and **Heather Mills** in the Preschool Room. We're also welcoming new enrollments and families on our growing waitlist—it's wonderful to see our classrooms thriving!

## **December Highlights:**

Our center celebrated a fun-filled **Spirit Week**, complete with ugly sweaters, PJ days, and a festive Christmas party where families joined in the holiday fun. A special thanks to our friend **Lois McGinnis**, who handmade stockings for every child in the center. As a token of gratitude, the classrooms created beautiful hand bouquets to show their appreciation.

## **Looking Ahead to January:**

Teachers are planning "snow much fun" activities, including snow parties, winter walks, and creative projects like salt-painted snowflakes and building edible snowmen. One class will even host a cozy PJ day where kids can bring their favorite blanket and stuffed animal! Stay tuned for more exciting moments from the ECLC!
