DEPARTMENT HIGHLIGHTS

Adult Care Services

The Adult Care Services department continues to participate in exciting community engagement opportunities this month, with outings to local venues like the mall, Walmart, and Shop 'n Save. Participants will also enjoy weekly craft sessions, providing a fun and creative way to stay connected.

Gymnastics

This month, our gymnasts are preparing for exciting events! Recreational classes are working on skills for Spring evaluations, with registration opening in March. The Pre-Competitive Team is perfecting routines for the May showcase. The Competitive Team will compete in Pennsylvania for upcoming League, State, and National Championships. High school gymnasts will represent their schools in the WPIAL Gymnastics Championships from February 6-8.

Membership

New membership rates will take effect in February, as reflected in your February 20 draft. As part of the update, all memberships will now include expanded pool access, in addition to the already available amenities such as group exercise classes, Child Watch, and pick-up sports —at no extra cost.

Download the **YMCA of Greensburg** app
for schedules, classes, and more.
